OUTPUT:

First we go to the login page, then after clicking submit we see the dashboard page.

The screenshot shows a web browser window with the URL `127.0.0.1:5500/Asgn1/login.html`. The login page features a circular profile picture of a man with brown hair and a yellow shirt. Below the picture, there are two input fields: 'Username' with the text 'john_s' and 'Password' with masked characters '.....'. A green 'Login' button is positioned below the password field. To the left of the button is a checked checkbox labeled 'Remember me'. At the bottom left is a red 'Cancel' button, and at the bottom right is a link for 'Forgot password?'.

The screenshot displays the 'Power Electrics' admin dashboard. The left sidebar contains navigation links: Dashboard, Customers, Messages, Help, Sales, and Settings. The main content area includes a search bar, an 'Add New' button, and a user profile icon. Four summary cards are shown: '2426 Daily views', '61 Products', '210 Comments', and '250000 Income'. Below these are two tables: 'Recent Purchases' and 'Recent Customers', each with a 'View All' link.

Name	Product	Amount	Status
